*Please be warmed up and ready to perform at your designated time. Eat healthy and get plenty of rest. Most injuries occur when a dancer is tired. All performers depend on a full cast to establish spacing and character development. Your cast is dependent on your presence at ALL rehearsals. **NO ONE is excused from tech** rehearsal and dress rehearsal. Performing on stage is what we've all been working for. It is a privilege to be part of the Nutcracker Traditions. Dream of sugar plums and dance in your living room.*
